Landmark announced it will be moving its corporate office to the Appleton Northeast Business Park on December 16th, 2010. Monica Vomastic, President/CEO stated, “this location is ideal for us. Centralizing our corporate office with easy access to Highway 41 and having high visibility along the 41 corridor were important factors in our strategic decision to relocate. The Northeast Business Park will continue to have significant business growth in the future and compliments our business lines for administrative and professional staffing.”

Landmark acquired 4800 square feet on the North side of Highway 41 off from the Ballard Street exit. Landmark will be adjacent to the Wipfli office. Landmark’s new address will be 2901 East Enterprise Avenue, Suite 600, Appleton, WI 54913. Landmark’s phone numbers and mailing address with a PO Box will remain unchanged.
